*Pennsylvania Test Audit Program
Bulletin #1*

At a meeting of the Audit Sub-Committee held on November 21, 1985 in the office of the Pennsylvania Compensation Rating Bureau, the following administrative rules were approved to be implemented as of the meeting date:

- A) *Suspense Date for Response to Difference Letters*
The suspense date was extended from 30 days to 45 days.

If a carrier does not respond in the allotted time or request an extension in writing, our file will be closed and included in the quarterly report. Corrections to the report for late responses, will not be made.

- B) *Audit Period*
Our procedure has been adjusted to allow carriers a sixteen day variation from the policy period. In the past, we had insisted on the policy period only.
