**BUREAU CIRCULAR NO. 1369**

To All Members of the Bureau:

Re: **PENNSYLVANIA CONSTRUCTION CLASSIFICATION**  
**PREMIUM ADJUSTMENT PROGRAM**  
**SECTION 1 RULE IX G. REVISIONS TO QUALIFYING WAGES,**  
**TABLE OF HOURLY WAGES AND PREMIUM CREDITS**  
**EFFECTIVE JULY 1, 1998**

The Pennsylvania Compensation Rating Bureau has filed and the Insurance Commissioner has approved updates in provisions of the Pennsylvania Construction Classification Premium Adjustment Program (PCCPAP), effective 12:01 a.m. July 1, 1998 with respect to new and renewal business only.

For policies with anniversary rating dates on or after July 1, 1998 the following changes to the PCCPAP plan are applicable:

- First, qualifying wages will be based on the Third Quarter of 1997, as this data is now available and represents a more current level of employment and wage activity for construction employers.
- Second, the minimum hourly wage eligible for premium credits will be updated in accordance with the most recent change in the Statewide Average Weekly Wage (SAWW). This change revises the minimum wage eligible for PCCPAP premium credit to \$16.75 per hour.
- Third, consistent with procedural changes first approved in 1995 (see Bureau Circular No. 1317), revisions will be made in the increments in qualifying wages used in constructing the PCCPAP table of premium credits.
