#### **BUREAU CIRCULAR NO. 1388**

To All Members of the Bureau:

Re: APRIL 1, 1999 LOSS COST FILING

Please be informed that the Bureau has submitted a filing of Pennsylvania loss costs, related rating values and Manual rule changes with a proposed effective date of April 1, 1999. That filing, Proposal C-338, proposed an overall average loss cost reduction of 5.26 percent. Including proposed revisions of employer assessment provisions from .0318 to .0407, the proposed overall reduction would average 4.44 percent.

Policies issued with effective dates on and after April 1, 1999 must be qualified as carrying tentative rates and the Pending Rate Change Endorsement is to be used for this purpose. Note that such policies issued at current rates or on a "to be determined" basis must be endorsed subsequently with the new carrier rates.

In addition to April 1, 1999 loss costs, related rating values and Manual rule changes, the Bureau's filing also proposes subsequent changes to the procedures used to impose, collect and remit employer assessments consistent with provisions of Act 57 of 1997. Such changes will require amendment of approved Bureau loss costs for all classifications and the implementation of a new separate employer assessment calculation procedure.

The Bureau's proposed subsequent changes to the procedures used to impose, collect and remit employer assessments under Act 57 of 1997 are contingent upon both the adoption of final form rules by the Department of Labor and Industry and approval of the Bureau's proposed rating values and rules by the Insurance Commissioner not less than 120 days in advance of the effective date of such changes. Tentatively, the Bureau has proposed an effective date for these revisions of July 1, 1999. In the event that adoption of final form rules by the Department of Labor and Industry and/or approval of the Bureau's proposed rating values and rules by the Insurance Commissioner are not complete by March 1, 1999, however, the Bureau will amend its filing as respects the effective date for these rule changes.

Complete text of the proposed employer assessment procedure and related rating values is attached to this circular for informational purposes. The Bureau will advise all members of any and all amendments to the filing as respects the effective date for this revised procedure if and when such amendments are made.

#### Filing Package

Historically, the Bureau has provided a complete copy of the filing proposal and supporting information to the lead carrier in each member group. Copies of the filing package were available to non-members (and additional copies were available to members) at specified costs designed to offset the considerable expense of reproducing and mailing that material.

For the April 1, 1999 Loss Cost Filing the Bureau will be making the complete filing package available on its web site at www.pcrb.com. The filing package will be found in the "Data Reports/Special Studies" section of the web site. Installation of the filing package is expected to be complete by January 29, 1999.

Members and other interested parties are encouraged to use the web site to access any and all parts of the filing package for informational purposes. If hard copy of the filing package is requested, the Bureau will provide a single copy per requesting entity (i.e., carrier group, consulting company, etc.) subject to the following considerations:

Price per copy: \$300 for Bureau members

\$450 for non-members

All parties are advised that requests for hard copy of the filing package will be held for up to two weeks to allow efficient processes in producing the required copies.

#### **Insurance Department Review of Filing**

The Insurance Department has assigned review of the April 1, 1999 Loss Cost Filing to Ms. Nabila Audi. Ms. Audi may be reached at the address and phone number shown below for purposes of making comments or asking questions about the status of the filing.

Ms. Nabila Audi, Actuary Commonwealth of Pennsylvania Insurance Department 1311 Strawberry Square Harrisburg, PA 17120 (717) 787-0875

#### **Carrier Filings**

With respect to carrier filing procedures and requirements the Insurance Department has again provided the following statement for distribution to all Bureau members:

NO ACTION is required of carriers intending to apply their current loss cost multiplier to the Bureau's new loss costs. A carrier wishing to change their loss cost multiplier will be required to make a filing with the Department. Act 44 requires all carriers to adopt Bureau loss costs upon approval by the Department. Otherwise, they must file their own loss costs which are subject to prior approval.

Bureau Circular No. 1388 Page 3

Carriers wishing to clarify the status of their current multipliers and/or to confirm filing requirements which will be applicable to their companies as prerequisites for the implementation of any specified schedule(s) of loss costs are strongly encouraged to consult with the Pennsylvania Insurance Department in that regard. For that purpose please contact:

Chuck Romberger, Actuary Commonwealth of Pennsylvania Insurance Department 1311 Strawberry Square Harrisburg, PA 17120 (717) 783-2103

#### Act 86-1986

Act 86-1986 included a section requiring notice of increase in premium. The full details of that Act were covered in Bureau Circular No. 1156 dated September 12, 1986.

Pennsylvania law requires any policy of insurance not written on a retrospective rating plan and covering commercial property or casualty risks in Pennsylvania to provide for not less than 30 days' notice of the intent to increase the insured's renewal premium. Endorsement WC 37 06 03 should be used for purposes of providing the required notices to affected policyholders.

Attached hereto is a table which includes the current Bureau April 1, 1998 loss costs, the PROPOSED April 1, 1999 loss costs and the proposed percentage changes in loss cost by risk classification. All loss costs in the attached table include loss based assessments, Merit Rating Plan credit offsets, and proposed Certified Safety Committee credit offsets. Construction classification loss costs also include Pennsylvania Construction Classification Premium Adjustment Program ("PCCPAP") loadings. Please be reminded that the April 1, 1999 PROPOSED loss costs, if applicable, will be adjusted by individual carriers' loss cost multiplier(s) to determine rates and premiums. Therefore, in your use of the attached table it may not be appropriate simply to compare the April 1, 1998 and PROPOSED April 1, 1999 loss costs in determining whether an Act 86 notice may be indicated.
