### **BUREAU CIRCULAR NO. 1469**

To All Members of the Bureau:

Re: **PROPOSAL C-346 - APRIL 1, 2004 LOSS COST FILING - AMENDED**

As announced in Bureau Circular No. 1466, the Bureau had previously submitted a filing of Pennsylvania loss costs, related rating values and Manual rule changes with a proposed **effective date of April 1, 2004**. That filing, Proposal C-346, proposes an overall average loss cost increase of 3.32 percent.

As originally filed, Proposal C-346 included updates to certain parameters of the existing Experience Rating Plan. On December 18, 2003 the Pennsylvania Insurance Department approved Bureau Filing No. 208 effective April 1, 2004, which makes significant changes to that existing Experience Rating Plan.

An amendment to the April 1, 2004 Loss Cost Filing is being filed with the Insurance Department in order to align the proposed rating values to be consistent with these recently-approved revisions to the Experience Rating Plan.

The overall indicated change in collectible loss costs is not affected by this amended filing and remains at +3.32 percent. The changes to the Experience Rating Plan will produce slightly smaller off-balances than that of the current Plan, and, thus, the indicated change in manual loss costs will be +3.65 percent, rather than the +4.63 percent originally filed.

All other analysis pertaining to and contained in Proposal C-346 are unaffected by this amendment.

Amendments to Proposal C-346 resulting from the approval of the proposed Experience Rating Plan will be available on our website ([www.pcrb.com](http://www.pcrb.com)) in the "Filings" section not later than December 31, 2003.

Policies issued with effective date on and after April 1, 2004 must be qualified as carrying tentative rates, and the Pending Rate Change Endorsement is to be used for this purpose. Note that such policies issued at current rates or on a "to be determined" basis must be endorsed subsequently with the new carrier rates.

**Act 86-1986**

Act 86-1986 included a section requiring notice of increase in premium. The full details of that Act were covered in Bureau Circular No. 1156 dated September 12, 1986.

Pennsylvania law requires any policy of insurance not written on a retrospective rating plan and covering commercial property or casualty risks in Pennsylvania to provide for not less than 30 days' notice of the intent to increase the insured's renewal premium. Endorsement WC 37 06 03 should be used for purposes of providing the required notices to affected policyholders.

Attached hereto is a table which includes the current Bureau April 1, 2003 loss costs, the amended **PROPOSED** April 1, 2004 loss costs and the amended proposed percentage changes in loss cost by risk classification. All loss costs in the attached table include loss-based assessments, Merit Rating Plan credit offsets and proposed Certified Safety Committee credit offsets. Construction classification loss costs also include Pennsylvania Construction Classification Premium Adjustment Program (PCCPAP) loadings. Four classifications' proposed loss costs include surcharges to recognize the increased potential for Hepatitis C claims under the provisions of H.B. 1633. The classifications so affected are 807, Ambulance Service – Non-Volunteer, 985, Policemen/ Firemen, 993, Volunteer Ambulance Corps, and 994, Volunteer Fire Companies.

Please be reminded that the April 1, 2004 PROPOSED loss costs, if applicable, will be adjusted by individual carriers' loss cost multiplier(s) to determine rates and premiums. Further, carriers may base their rates on loss costs that differ from those approved pursuant to a Bureau filing(s) for some or all classifications. Therefore, in your use of the attached table it may not be appropriate simply to compare the April 1, 2003 and PROPOSED April 1, 2004 loss costs in determining whether an Act 86 notice may be indicated.

**Update Procedures**

As discussed in Bureau Circular No. 1466, the Bureau will continue to keep carriers informed regarding the disposition of Proposal C-346.
