PCRB CIRCULAR NO. 1675

To All Members of the PCRB:

RE: BASIC MANUAL REVISION TO SECTION 2
PCRB FILING NO. 280
APPROVED EFFECTIVE APRIL 1, 2017
REVISIONS TO THE EMPLOYMENT CONTRACTOR
TEMPORARY STAFFING CROSS REFERENCE CHART

The Pennsylvania Insurance Commissioner has accepted and approved PCRB's filing to revise the Employment Contractor – Temporary Staffing Cross Reference Chart effective 12:01 a.m., April 1, 2017. This revision and effective date makes implementation of this change concurrent with the Commissioner's approval of the related PCRB Filing No. 275 and Circular 1669, which instituted that Homeowners' Associations and Mobile Home Parks be reclassified from Code 971, Commercial Buildings, to the new and separate Code 888, Homeowners' Association. The Commissioner had also approved PCRB Filing No. 275 with an effective date of April 1, 2017.

PCRB Filing No. 275 omitted the proposed mapping of Code 888 to a corresponding "Employment Contractor – Temporary Staffing" classification. This filing, PCRB Filing No. 280, proposed that Code 888 now be mapped to Code 525, Employment Contractor – Temporary Staff, N.O.C. – Exposure Group F.

For additional information about the filing, refer to PCRB Filing No. 280, via the "Filings" tab of the PCRB's website. Please contact Robert Ferrante, Senior Classification Analyst – Technical Services, at (215) 320-4584 or by email at rferrante@pcrb.com with any questions regarding this circular. The Basic Manual will be updated on PCRB's website at a later date.
